ABOUT US

LAAC WAS ESTABLISHED BY VISIONARY MINDS BACK WHEN LOS ANGELES WAS A CITY OF JUST 11,000 PEOPLE AS A HUB FOR WELLNESS, CREATIVITY, SOCIAL CONNECTION, AND SO MUCH MORE.

It was LA's first private club and continues to evolve, innovate, and embrace the dynamic vibe of DTLA.

Our values remain unchanged...

HEALTH • FRIENDLINESS • HERITAGE • WONDERMENT • TEAM WORK

MEMBERSHIP

Since our inception in 1880, the winged sandals of the Roman god Mercury, an ancient symbol of athleticism and an age-old symbol of LAAC, gives good luck to those who wear it (or so the legend goes)...

Join a welcoming community with a history of excellence that includes Hollywood legends, Olympic athletes, and champions like you.
